THE PROCESS

FLORALS + STYLING

1) SEND US YOUR WISHLIST

Tell us what you're dreaming of! You don't need to have every detail figured out just yet — share what you know, and we'll help guide you from there.

2) YOUR INITIAL ESTIMATE

We'll create an initial price estimate outlining the key floral and styling elements for your day. From here, we can refine your selections and investment to create a package that feels right for you.

3) SECURE YOUR DATE

Ready to make it official? Your date is secured once your booking deposit and signed Terms & Conditions are received. As we're unable to hold dates, we recommend locking yours in when you're ready to proceed.

4) FINAL PLANNING BEGINS

Around 12 weeks before your wedding, you'll receive our detailed final planning questionnaire. This is where we dive into all the beautiful details — your colour palette, floral preferences, styling selections, stationery, logistics and overall design direction.

5) FINAL PLANNING MEETING

We'll meet to walk through your questionnaire, refine the details and ensure everything feels perfectly considered. Following your meeting, you'll receive your final Event Order and invoice, bringing the complete vision together.

YOUR WEDDING DAY

It's time for us to work our magic! We'll deliver your personal florals before heading to your venue to bring your ceremony and reception to life.

From installation through to those final finishing touches, our team takes care of the details so you can simply enjoy your day.
