A BESPOKE APPROACH TO YOUR CELEBRATION.

There is no one-size-fits-all when it comes to a Floss & Fleur celebration. Every wedding we create is thoughtfully designed and individually tailored to your vision, priorities and venue - meaning your investment will be just as unique as your day.

We encourage you to be open about your ideal investment range from the beginning. Understanding where you feel comfortable allows us to thoughtfully guide your selections, make considered recommendations and create the greatest impact where it matters most.

Our goal is to curate a beautifully cohesive celebration that feels unmistakably yours, while working intentionally within your chosen investment.

1) SEND US YOUR WISHLIST

Tell us what you're dreaming of! You don't need to have every detail figured out just yet — share what you know, and we'll help guide you from there.

2) YOUR INITIAL ESTIMATE

We'll create an initial price estimate outlining the key floral and styling elements for your day. From here, we can refine your selections and investment to create a package that feels right for you.

3) SECURE YOUR DATE

Ready to make it official? Your date is secured once your booking deposit and signed Terms & Conditions are received. As we're unable to hold dates, we recommend locking yours in when you're ready to proceed.

4) FINAL PLANNING BEGINS

Around 12 weeks before your wedding, you'll receive our detailed final planning questionnaire. This is where we dive into all the beautiful details — your colour palette, floral preferences, styling selections, stationery, logistics and overall design direction.

5) FINAL PLANNING MEETING

We'll meet to walk through your questionnaire, refine the details and ensure everything feels perfectly considered. Following your meeting, you'll receive your final Event Order and invoice, bringing the complete vision together.

YOUR WEDDING DAY

It's time for us to work our magic! We'll deliver your personal florals before heading to your venue to bring your ceremony and reception to life.

From installation through to those final finishing touches, our team takes care of the details so you can simply enjoy your day.

THE PROCESS

KIND WORDS

Britt did such a beautiful job styling our wedding. She captured our vision so perfectly when it came to the colours, florals and stationary. We've had so many people comment on how lovely it all came together. We couldn't have been happier. Britt was also a pleasure to work with. Very kind, responsive and organised in the lead up and was a wonderful help on the day as well. I would highly recommend Britt to anyone looking for a stylist to help create their special day.
